

COLIN LEWIS

Type of governor: Foundation Governor (Diocese) – appointed in 2015 [Previously Foundation Governor from the 1990s]

Occupational background: I am retired, following a career in Education management and consultancy.

Special Interest areas: As a Reader at St John the Baptist (now part of the Darent Valley Benefice), I have been particularly concerned that the school maintains its Christian character and all that embodies. I am the SEN Governor for 2017/18, pending my retirement from the Governing Body in July.

About me: I have been involved with the school since the 1990s when I was one of the ugly sisters in the Parents' Association production of Cinderella. I am married with two children who were given a terrific start in life by the School and have gone on to successful careers. I hope I have contributed to the life of the school over the last 25 years and as I become an old age pensioner this year, I am happy to leave the school in the care of younger, brighter individuals who now serve on the governing body.
