## Introducing The Allergy School

**The Allergy School** offers free, practical resources to help teachers create inclusive and safe environments for children with food allergies.

- About 2 children in every classroom have a food allergy.
- Free resources for nurseries, primary schools, and out-of-school clubs for children aged 3–11, featuring Arlo, the friendly food-allergic armadillo who makes learning about food allergies fun and engaging. And the great thing is that all the resources are completely FREE.
